Dear Rachel

Re: Boughton Aluph & Eastwell Parish Council
Internal Audit Year Ended 31 March 2023 – Year-End Audit report

Executive summary

Following completion of our year-end internal audit on 13 June 2023 we enclose our report for your kind attention and presentation to the council. The audit was conducted in accordance with current practices and guidelines and testing was risk based. Whilst we have not tested all transactions, our samples have where appropriate covered the entire year to date.

Our report is presented in the same order as the assertions on the internal auditor report within the published AGAR. The start of each section details the nature of the assertion to be verified. Testing requirements follow those detailed in the audit plan previously sent to the council, a copy of this is available on request. The report concludes with an opinion as to whether each assertion has been met or not. Where appropriate **recommendations for action are shown in bold text and are summarised in the table at the end of the report.**

Our sample testing did not uncover any errors or misstatements that require reporting to the external auditor at this time, nor did we identify any significant weaknesses in the internal controls such that public money would be put at risk.

It is clear the council takes governance, policies and procedures seriously and I am pleased to report that overall, the systems and procedures you have in place are fit for purpose and whilst my report may contain recommendations to change these are not indicative of any significant failings, but rather are pointers to improving upon an already well-ordered system.

It is therefore our opinion that the systems and internal procedures at Boughton Aluph & Eastwell Parish Council are well established and followed.

Regulation

The Accounts and Audit Regulations 2015 require smaller authorities, each financial year, to conduct a review of the effectiveness of the system of internal control and prepare an annual governance statement in accordance with proper practices in relation to accounts. In addition to this, a smaller authority is required by Regulation 5(1) of the Accounts and Audit Regulations 2015 to “undertake an effective internal audit to evaluate the effectiveness of its risk management, control and governance processes, taking into account public sector internal auditing standards or guidance.”

Internal auditing is an independent, objective assurance activity designed to improve an organisation’s operations. It helps an organisation accomplish its objectives by bringing a systematic, disciplined approach to evaluate and improve the effectiveness of risk management, control and governance processes. The purpose of internal audit is to review and report to the authority on whether its systems of financial and other internal controls over its activities and operating procedures are effective.

Internal audit's function is to test and report to the authority on whether its specific system of internal control is adequate and working satisfactorily. The internal audit reports should therefore be made available to all Members to support and inform them when they considering the authority's approval of the annual governance statement.

Independence and competence

Your audit was conducted by Andy Beams of Mulberry & Co, who has over 30 years' experience in the financial sector with the last 13 years specialising in local government.

Your auditor is independent from the management of the financial controls and procedures of the council and has no conflicts of interest with the audit client, nor do they provide any management or financial assistance to the client.

Engagement Letter

An engagement letter was previously issued to the council covering the 2022/23 internal audit assignment. Copies of this document are available on request.

Planning and inherent risk assessment

The scope and plan of works including fee structure was issued to the council under separate cover. Copies of this document are available on request. In summary, our work will address each of the internal control objectives as stated on the Annual Internal Audit Report of the AGAR. As part of the inherent risk assessment, we have concluded that:

- There have been no reported instances of breaches of regulations in the past
- The client uses an industry approved financial reporting package
- The client regularly carries out reconciliations and documents these
- There is regular reporting to council
- The management team are experienced and informed
- Records are neatly maintained and referenced
- The client is aware of current regulations and practices
- There has been no instance of high staff turnover

It is our opinion that the inherent risk of error or misstatement is low, and the controls of the council can be relied upon and as such substantive testing of individual transactions is not required. Testing to be carried out will be "walk through testing" on sample data to encompass the period of the council year under review.

A. BOOKS OF ACCOUNT

Internal audit requirement

Appropriate accounting records have been properly kept throughout the financial year.

Audit findings

The year-end audit was conducted on site with the Clerk, who also acts as the council's Responsible Financial Officer (RFO). The Clerk had prepared the information advised in advance of the visit, and I have the impression that accounting records are neatly maintained and easily accessible. Other information was reviewed through discussion with the Clerk and a review of the council website www.boughtonalupheastwellparishcouncil.gov.uk

The council uses Excel for recording the day-to-day financial transactions of the council. This is a suitable method for a council of this size. The system is used regularly to record transactions and produce management information reports for review at council meetings.

B. FINANCIAL REGULATIONS, GOVERNANCE AND PAYMENTS

Internal audit requirement

This authority complied with its financial regulations, payments were supported by invoices, all expenditure was approved, and VAT was appropriately accounted for.

Audit findings

Check the publication and minuting of the prior year audited AGAR and notice of conclusion of audit.

The External Auditor's Report for 2021/22 was not qualified and has been published on the council website along with the Notice of Conclusion of Audit. This was reported to council at the meeting held in September 2022.

Confirm by sample testing that councillors sign statutory office forms.

I confirmed by sample testing that councillors sign "Acceptance of Office" forms. The council website provides details of councillors and includes a link to the District Council website where their individual Register of Members' Interests Forms.

Confirm that the council is compliant with the relevant transparency code.

As the council's income and expenditure exceeds £25,000, it is not a statutory requirement to follow the requirements of the Local Government Transparency Code, although it is recommended best practice to do so.

Confirm that the council is compliant with GDPR.

The council is fully aware of GDPR and has undergone training. It was noted the council has established common email addresses for all councillors. This is recommended because it gives a natural segregation between work and personal lives, making it clear beyond doubt in what capacity a councillor is acting. In addition to this it gives control to the council, adds a degree of professionalism and in the event of a FOI request limits access to personal computers.

The Joint Panel on Accountability and Governance (JPAG) Practitioner's Guide (March 2023) contains updated guidance on the matter as below:

The importance of secure email systems and GOV.UK

5.205. All authorities except parish meetings must now have an official website. To comply with GDPR, councils should provide official email accounts for their councillors as well as for their clerk and other officers.

5.206. When choosing a domain name for the council's website and emails, many local council websites are appropriately making use of the official GOV.UK domain (for example, ourparishcouncil.gov.uk), with email addresses being linked to that domain.

5.207. Using a GOV.UK domain for your council website and email accounts demonstrates the council's official local government status. Members of the public are increasingly cyber security awareness, so a GOV.UK domain can also help to build trust, and credibility and visibly demonstrates authenticity. Many people will now reasonably expect a local council to have a GOV.UK domain name.

5.208. For the purposes of user management, councils should ensure that the proper officer can add and remove member and staff email accounts. Commercial 'dashboard' email and web systems offer centralised searching of all data contained within the system for effective compliance with GDPR Subject Access Requests and Freedom of Information Requests.

I recommend the council follows the JPAG guidance on emails for councillors and that all councillors continue to use their official email accounts for all council business.

The council has a Privacy Notice and Accessibility Statement on its website, and it is clear the council has made every effort to comply with the website requirements.

Confirm that the council meets regularly throughout the year.

In addition to full council, the council has committees for Planning and Finance, with terms of reference for each committee published on the council website, along with future meeting dates and historic agendas and minutes.

Check that agendas for meetings are published giving 3 clear days' notice.

I was able to confirm that at least 3 clear days' notice is given on agendas. Whilst we have not tested every single committee and council meeting there was no evidence of non-compliance in giving three clear days' notice of the meeting. **I remind council it is required to also post any supporting documentation with the agendas as outlined by the Information Commissioner's Office** (page 3 of this link) ico.org.uk/minutesandagendas.pdf

Check the draft minutes of the last meeting(s) are on the council's website.

Minutes are routinely uploaded to the council website.

Confirm that the Parish Council's Standing Orders have been reviewed within the last 12 months.

The Standing Orders are based on the current NALC model and were most recently reviewed and adopted by council at the meeting held in May 2023.

Confirm that the Parish Council has adopted and recently reviewed Financial Regulations.

Financial Regulations are based on the current NALC model and were last reviewed and adopted by council at the meeting held in January 2023. The regulations contain provisions for the approval of spending, setting of budgets, reconciliation of the bank and reporting to council.

Check that the council's Financial Regulations are being routinely followed.

The council has thresholds in place at which authorisations to spend must be obtained as below:

FR 4.1. Expenditure on revenue items may be authorised up to the amounts included for that class of expenditure in the approved budget. This authority is to be determined by:

- the council for all items over £1,000.
- the Clerk, in conjunction with Chairman of Council for any items below £1,000.

Contracts may not be disaggregated to avoid controls imposed by these regulations.

FR 4.5. In cases of extreme risk to the delivery of council services, the clerk may authorise revenue expenditure on behalf of the council which in the clerk's judgement it is necessary to carry out. Such expenditure includes repair, replacement or other work, whether or not there is any budgetary provision for the expenditure, subject to a limit of £2,000. The Clerk shall report such action to the chairman or vice-chair in writing as soon as possible and to the council as soon as practicable thereafter.

Based on the level of financial activity of the council, and through discussion with the Clerk, these authorisation thresholds appear appropriate.

I tested a sample of invoices and found these had been approved in accordance with the thresholds contained within the Financial Regulations, and approval, where needed, recorded in the minutes of meetings.

I note there is a regular agenda item relating to financial matters, which includes noting bank reconciliations and income & expenditure accounts and agreeing payments schedules. Approved payments are then included in the appendix of the subsequent minutes of the meeting.

Confirm all section 137 expenditure meets the guidelines and does not exceed the annual per elector limit of £8.82 per elector.
The council has section 137 expenditure within the allowable thresholds for the year under review.

Check receipt of VAT refund matches last submitted VAT return.

The council is not VAT registered and submits its VAT return on an annual basis, with provision to submit more frequently in the event of larger amounts to reclaim. I confirmed receipt of the refund for the 2021/22 to the council's bank account on 7 July 2022.

Confirm that checks of the accounts are made by a councillor.

The system noted above details internal review takes place and I am under no doubt that council properly approves expenditure.

C. RISK MANAGEMENT AND INSURANCE

Internal audit requirement

This authority assessed the significant risks to achieving its objectives and reviewed the adequacy of arrangements to manage these.

Audit findings

The council has a risk register in place, which was most recently adopted by council in April 2023 and is published on the council website. I reviewed the register, which details the types of risk identified, assigns a perceived risk level, records management controls in place and details review processes. This type of approach is suitable for a council of this size and demonstrates that the council takes its risk management responsibilities seriously, although the council may wish to consider the inclusion of a risk matrix to support the assigned risk levels on the register.

I confirmed that the council has a valid insurance policy in place with BHIB in a long-term agreement which expires on 7 August 2023. The policy includes Public Liability and Employers Liability cover of £10 million each and a Fidelity Guarantee of £150,000 which is sufficient for a council of this size.

We discussed assertion 8 on the Annual Governance Statement and whether this had any impact on the council.

"We considered whether any litigation, liabilities or commitments, events or transactions, occurring either during or after the year-end, have a financial impact on this authority and, where appropriate, have included them in the accounting statements."

The Clerk confirmed that they were not aware of any event having a financial impact that was not included in the accounting statements.

D. BUDGET, PRECEPT AND RESERVES

Internal audit requirement

The precept or rates requirement resulted from an adequate budgetary process; progress against the budget was regularly monitored; and reserves were appropriate.

Audit findings

The council set a precept of £26,280 for 2022/23. With a tax base of 1,078.0, this equates to a band D equivalent of £24.38 (compared to the average in England of £74.81).

I confirmed that the 2023/24 budget and precept were approved by council at the meeting held in December 2022.

The Clerk presents the budget performance information at every council meeting for review, and this is noted in the minutes of meetings. I am of the opinion that councillors are provided with sufficient financial information to make informed decisions.

At the financial year-end, the council held £55,277 in balances. Through discussion with the Clerk, some of this amount is set aside for planned projects, such as a highway scheme and potential election costs, although these amounts have not been formally allocated as earmarked reserves (EMR), and the council may wish to consider this approach to provide greater clarity.

Council is reminded that the Joint Panel on Accountability and Governance (JPAG) Practitioner's guide states '*the generally accepted recommendation with regard to the appropriate minimum level of a smaller authority's general reserve is that this should be maintained at between three and twelve months of net revenue expenditure*' (para 5.33).

E. INCOME

Internal audit requirement

Expected income was fully received, based on correct prices, properly recorded and promptly banked; and VAT was appropriately accounted for.

Audit findings

Other than the precept, the council receives no other regular sources of income and there are no charges to review.

F. PETTY CASH

Internal audit requirement

Petty cash payments were properly supported by receipts, all petty cash expenditure was approved, and VAT appropriately accounted for.

Audit findings

The council has no petty cash.

G. PAYROLL

Internal audit requirement

Salaries to employees and allowances to members were paid in accordance with this authority's approvals, and PAYE and NI requirements were properly applied.

Audit findings

The Clerk is the only employee and has a signed contract of employment, based on the NALC template. I was able to verify that the salary is aligned to the NJC scale point range.

The council uses a third party for processing payroll, who calculates the PAYE and pension deductions. I reviewed the payslips for February and March 2023 and found no errors in deduction amounts.

I reviewed the total figure being included within box 4 (staff costs) on the Annual Governance and Accountability Return (AGAR) and confirmed that this includes only salary payments, HMRC payments and pension contributions.

There are no councillor allowances.

H. ASSETS AND INVESTMENTS

Internal audit requirement

Asset and investments registers were complete and accurate and properly maintained.

Audit findings

The council has a fixed asset register in place which includes details of each asset, its date of purchase, original net cost and location. Assets are correctly listed at cost/proxy cost, or where gifted/donated, given a nominal £1 value for the purpose of the asset register.

I confirmed the asset register total matches that included in box 9 (total fixed assets plus long term investments and assets) on the AGAR and was able to trace the changes to the previous year's total against the asset register.

The council has no borrowing nor long-term investments.

I. BANK AND CASH

Internal audit requirement

Periodic and year-end bank account reconciliations were properly carried out.

Audit findings

Financial Regulation 2.2 states 'On a regular basis, at least once in each quarter, and at each financial year end, a member verify bank reconciliations (for all accounts) produced by the RFO. The member shall sign the reconciliations and the original bank statements (or similar document) as evidence of verification. This activity shall on conclusion be reported, including any exceptions, to and noted by the council.'

Bank reconciliations are completed monthly and presented to council at every meeting for review. I reviewed the March 2023 bank reconciliation and was able to confirm the balances to the bank statements and found no errors.

I noted that the reconciliation and bank statement have been signed in accordance with Financial Regulation 2.2.

Balances held are within the £85,000 protection limit offered by the Financial Services Compensation Scheme (FSCS).

J. YEAR END ACCOUNTS

Internal audit requirement

Accounting statements prepared during the year were prepared on the correct accounting basis (receipts and payments or income and expenditure), agreed to the cash book, supported by an adequate audit trail from underlying records and where appropriate debtors and creditors were properly recorded.

Audit findings

The council, at its meeting to sign off the year-end accounts, must discuss Section 1 of the AGAR (Annual Governance Statement) and record this activity in the minutes of the meeting. **COUNCIL IS REMINDED THAT THIS MUST BE A SEPARATE AGENDA ITEM PRIOR TO THE SIGNING OF SECTION 2 OF THE AGAR (ANNUAL ACCOUNTS).**

Section 1 – Annual Governance Statement

Based on the internal audit finding I recommend using the table below as the basis for that discussion.

	Annual Governance Statement	<i>'Yes', means that this authority</i>	Suggested response based on evidence
1	We have put in place arrangements for effective financial management during the year, and for the preparation of the accounting statements.	<i>prepared its accounting statements in accordance with the Accounts and Audit Regulations.</i>	YES – accounts follow latest Accounts and Audit Regulations and practitioners guide recommendations.
2	We maintained an adequate system of internal control including measures designed to prevent and detect fraud and corruption and reviewed its effectiveness.	<i>made proper arrangements and accepted responsibility for safeguarding the public money and resources in its charge.</i>	YES – there is regular reporting of financial transactions and accounting summaries, offering the opportunity for scrutiny.
3	We took all reasonable steps to assure ourselves that there are no matters of actual or potential non-compliance with laws, regulations and Proper Practices that could have a significant financial effect on the ability of this authority to conduct its business or manage its finances.	<i>has only done what it has the legal power to do and has complied with Proper Practices in doing so.</i>	YES – the Clerk advises the council in respect of its legal powers.
4	We provided proper opportunity during the year for the exercise of electors' rights in accordance with the requirements of the Accounts and Audit Regulations.	<i>during the year gave all persons interested the opportunity to inspect and ask questions about this authority's accounts.</i>	YES – the requirements and timescales for 2021/22 year-end were followed.
5	We carried out an assessment of the risks facing this authority and took appropriate steps to manage those risks, including the introduction of internal controls and/or external insurance cover where required.	<i>considered and documented the financial and other risks it faces and dealt with them properly.</i>	YES – the council has a risk management scheme and appropriate external insurance.
6	We maintained throughout the year an adequate and effective system of internal audit of the accounting records and control systems.	<i>arranged for a competent person, independent of the financial controls and procedures, to give an objective view on whether internal controls meet the needs of this smaller authority.</i>	YES – the council has appointed an independent and competent internal auditor.
7	We took appropriate action on all matters raised in reports from internal and external audit.	<i>responded to matters brought to its attention by internal and external audit.</i>	YES – matters raised in internal and external audit reports have been addressed.
8	We considered whether any litigation, liabilities or commitments, events or transactions, occurring either during or after the year-end, have a financial impact on this authority and. Where appropriate, have included them in the accounting statements.	<i>disclosed everything it should have about its business activity during the year including events taking place after the year end if relevant.</i>	YES – no matters were raised during the internal audit visits.
9	Trust funds including charitable – In our capacity as the sole managing trustee we discharged our accountability responsibilities for the fund(s)/asset(s), including financial reporting and, if required, independent examination or audit.	<i>has met all its responsibilities where, as a body corporate, it is a sole managing trustee of a local trust or trusts.</i>	YES – the council has met its responsibilities as a trustee.

Section 2 – Accounting Statements

AGAR box number		2021/22	2022/23	Internal Auditor notes
1	Balances brought forward	39,255	52,533	Agrees to 2021/22 carry forward (box 7)
2	Precept or rates and levies	26,280	26,280	Figure confirmed to central records
3	Total other receipts	10,168	2,042	Agrees to underlying records
4	Staff costs	11,765	13,050	Agrees to underlying records
5	Loan interest/capital repayments	0	0	Council has no borrowing
6	All other payments	11,405	12,528	Agrees to underlying records
7	Balances carried forward	52,533	55,277	Casts correctly and agrees to balance sheet
8	Total value of cash and short-term investments	52,533	55,277	Agrees to bank reconciliation
9	Total fixed assets plus long-term investments and assets	27,728	28,277	Matches asset register
10	Total borrowings	0	0	Council has no borrowing
11a	Disclosure note re Trust Funds (including charitable)	N/A	YES	Yes – the council is a sole trustee
11b	Disclosure note re Trust Funds (including charitable)		YES	N/A – the council has met the disclosure notice requirement.

Audit findings

The year-end accounts have been correctly prepared on a receipts and payments basis with no requirement for the box 7 and 8 reconciliation.

The AGAR correctly casts and cross casts and last year's comparatives match the figures submitted for 2021/22.

The variance analysis has been completed to explain the variances exceeding 15% where required, and in my opinion, contains sufficient narrative and quantitative information for the External Auditor.

K. LIMITED ASSURANCE REVIEW**Internal audit requirement**

IF the authority certified itself as exempt from a limited assurance review in 2021/22, it met the exemption criteria and correctly declared itself exempt. (If the authority had a limited assurance review of its 2021/22 AGAR tick "not covered")

Audit findings

The council did not certify itself exempt in 2021/22 due to exceeding the income and expenditure limits and this test does not apply.

L: PUBLICATION OF INFORMATION**Internal audit requirement**

The authority published the required information on a website/webpage up to date at the time of the internal audit in accordance with the relevant legislation

Audit findings

This internal control objective has changed since last year. Where previously it related to the relevant Transparency Codes, a council with annual turnover exceeding £25,000 was recommended to follow the Local Government Transparency Code 2015, but it was not a statutory requirement.

All councils are required to follow The Accounts and Audit Regulations which include the following requirements:

13(1) An authority must publish (which must include publication on that authority's website)

- (a) the Statement of Accounts together with any certificate or opinion entered by the local auditor in accordance with section 20(2) of the Act; and
- (b) the Annual Governance Statement approved in accordance with regulation 6(3)

13(2) Where documents are published under paragraph (1), the authority must

- (a) keep copies of those documents for purchase by any person on payment of a reasonable sum; and
- (b) ensure that those documents remain available for public access for a period of not less than five years beginning with the date on which those documents were first published in accordance with that paragraph.

I was able to confirm that pages 4 (Annual Governance Statement), 5 (Accounting Statements) and 6 (External Auditor's Report and Certificate) of the AGAR are available for review on the council website for the last five years.

M: EXERCISE OF PUBLIC RIGHTS - INSPECTION OF ACCOUNTS**Internal audit requirement**

The authority has demonstrated that during summer 2022 it correctly provided for the exercise of public rights as required by the Accounts and Audit Regulations.

Audit findings

Inspection – key dates	2021/22 Actual	2022/23 Proposed
Date AGAR signed by council	22 June 2022	14 June 2023
Date inspection notice issued	24 June 2022	18 June 2023
Inspection period begins	27 June 2022	19 June 2023
Inspection period ends	5 August 2022	28 July 2023
Correct length (30 working days)	Yes	Yes
Common period included (first 10 working days of July)	Yes	Yes

I am satisfied the requirements of this control objective were met for 2021/22, and assertion 4 on the Annual Governance Statement can therefore be signed off by the council.

I was able to confirm that the proposed dates for 2022/23 meet the statutory requirements.

N: PUBLICATION REQUIREMENTS

Internal audit requirement

The authority has complied with the publication requirements for 2021/22. Under the Accounts and Audit Regulations 2015, authorities must publish the following information on the authority website / webpage.

Before 1 July 2022 authorities must publish:

- *Notice of the period for the exercise of public rights and a declaration that the accounting statements are as yet unaudited*
- *Section 1 - Annual Governance Statement 2021/22, approved and signed, page 4*
- *Section 2 - Accounting Statements 2021/22, approved and signed, page 5*

Not later than 30 September 2022 authorities must publish:

- *Notice of conclusion of audit*
- *Section 3 - External Auditor Report and Certificate*
- *Sections 1 and 2 of AGAR including any amendments as a result of the limited assurance review.*

It is recommended as best practice, to avoid any potential confusion by local electors and interested parties, that you also publish the Annual Internal Audit Report, page 3.

Audit findings

I was able to confirm that the Notice of Public Rights is published on the council website along with the Notice of Conclusion of Audit and External Auditor Report and Certificate and the publication requirements for 2021/22 have been met.

O. TRUSTEESHIP

Internal audit requirement

Trust funds (including charitable) – The council met its responsibilities as a trustee.

Audit findings

The council is the trustee of Playing Field and Recreation (charity number 302691). I reviewed the information on the Charity Commission website, which shows the council correctly listed as the sole trustee and that all reporting is up to date.

Achievement of control assertions at year-end audit date

Based on the tests conducted during the year-end audit, our conclusions on the achievement of the internal control objectives are summarised in the table below and are reflected in the completion of the Annual Internal Audit Report within the AGAR.

	INTERNAL CONTROL OBJECTIVE	YES	NO	NOT COVERED
A	Appropriate accounting records have been properly kept throughout the financial year	√		
B	This authority complied with its financial regulations, payments were supported by invoices, all expenditure was approved, and VAT was appropriately accounted for	√
