Report of the Clerk to the Parish Council: 21/1/26

Sandyacres Proposed Padel Court

- The Clerk & Chairman met with Winston Michael, chair of trustees, Sandyacres Trust. Sandyacres Trust now proposes to build a padel court, not a tennis court. With regard to Ashford Borough Council's proposed use of the PC to reclaim VAT on s.106 monies, no mechanism has yet been identified or recommended to the Parish Council. If further information is received, advice will be taken to see if any assistance can be given.

Changes to lease at Sandyacres

- The solicitor acting for the Parish Council has received a map showing the area to be used by Battery Box. This appeared to be incorrect, being contrary to information that the Parish Council had received. She will advise when there is further information.

Tree pruning on village green

- A planning permission application for tree works in a conservation area has been submitted for pruning the oak tree as advised by the arborist.

Replacement defibrillator cases

- Payment was made at the end of November, the Clerk has followed up with Community Heartbeat Trust regarding a delivery date for the remaining two lockable cases.

Community Warden update

- KCC are looking at warden availability and allocation for our warden. A reporting mechanism for Parish-funded wardens on their work is under development.
