Challock Youth Club is a group working to promote the development of young people through providing a safe place to meet and mix from their peer group from the local area and to provide leisure opportunities and education to further their abilities and skills. The Club seeks to involve its members in Club's activities, their community and society.

Benefit: (from constitution)

Membership is open to all young people living in Challock village and the surrounding area who are between the ages of 10 and 18 years old, with priority to residents of the village or those who have connections to the village.

Most of the current (winter) attendees are between 10 and 14, with older members tending to come more in the spring and summer months when lighter evenings allow for more ambitious sports provision outside.

The treasurer has advised that currently there are currently 15 members attending from the Boughton Aluph & Eastwell Parish area. Significant numbers of children from our Parish attend Challock Primary School and this group feeds in to the youth club membership as they reach the age of 10.

Other funding sources: small attendance fee (£2.50) local and club fundraising

Power: LGA 1976, s.3 (a)

Remaining in budget: £500/£2500
